

We have to adapt to the new condition due to covid-19 pandemic, rescheduling exhibition plans, research and physical visits. In the beginning, it took quite some time to adjust, but we also learnt new things and paid more attention to what we've often missed to. These photographs document some of our daily activity during stay at and work from home.

Please let us know if you have any questions. Thank you for the opportunity.

Greetings from Jakarta,  
tita-irwan
